

## What's New for the 2009-2010 Plan Year?

The Student Health Insurance Advisory Committee recommended changes to the Student Health Insurance Program that have been approved to begin in Autumn 2009. Here's an overview:

### Rates:

- **There are no rate increases for the 2009-2010 plan year.**

### Eligibility:

- The **Annual Insurance Selection/Waiver Deadline** is September 15, 2009 for quarter students, and August 9, 2009 for semester (Law) students.

*Note: the 15<sup>th</sup> day deadline no longer applies.*

- Students who **withdraw from school** due to a **medical condition** may petition to be eligible for a second, consecutive off-term coverage period.

### Benefits:

- A **\$100 In-network, annual deductible** has been added.
- A **\$100 annual allowance for eyeglasses or contact lens** provided by the College of Optometry at the Student Health Center or W. 10<sup>th</sup> Ave. locations has been added. This benefit is available for the student policy holder only. Dependents are not eligible for this benefit.
- The **Well-Child benefit has been extended** to dependents ages 10 years through age 18 years, up to a \$250 annual benefit maximum.
- Coverage for **acupuncture and/or massage therapy** for a medical condition and received by a license provider has been added under the Physical Therapy/Chiropractic benefit.
- The **Delta Dental PPO network** has been added in addition to the Delta Premier network of dentists currently available.
- Access to the **Wholehealth Network Discount** program has been discontinued.
