Student Health Insurance - Select / Waive

Welcome to the Student Health Insurance Information Center.

Students enrolled half-time or more must have health insurance. Before the deadline of your first term each academic year, you can choose the Student Health Insurance Benefits Plan ("SHI Benefits Plan") or waive it if you have other medical coverage in place for the academic year. You can also supplement a waiver with WilceCare.

If you miss the first term deadline, your choice defaults to SHI Benefits Plan for the year. Students can submit a choice regardless of course load. HOWEVER, your choice becomes effective ONLY if you meet credit hour and course type eligibility. Visit shi.osu.edu for eligibility details.

You can confirm the status of your choice by confirming the appropriate fee is on your Statement of Account. Monitor your fees regularly. Your eligibility may change as you add or drop classes.
