Total of Outstanding Charges

This total does not reflect recent changes to your tuition and fees. For an updated balance, click on the Statement of Account link below.

The tuition and fees listed on your Statement of Account are based on your course schedule for the summer 2021 semester. In the event that the university needs to change the mode of instruction during the semester in response to the COVID-19 pandemic or other factors, Ohio State will not provide refunds of tuition and fees. Students who satisfactorily fulfill course requirements this semester will receive full academic credit.

The university may provide partial refunds of housing and dining costs in the event the university requires students to move out of the residence halls earlier than the official move-out date for the semester. BuckID funds and Dining Dollars would be rolled over as detailed on the University Dining Plans page

Student Health Insurance - Select / Waive

Welcome to the Student Health Insurance Information Center.

Students enrolled half-time or more must have health insurance. Before the deadline of your first term each academic year, you can choose the Student Health Insurance Benefits Plan ("SHI Benefits Plan") or waive it if you have other medical coverage in place for the academic year. You can also supplement a waiver with WilceCare.

If you miss the first term deadline, your choice defaults to SHI Benefits Plan for the year. Students can submit a choice regardless of course load. HOWEVER, your choice becomes effective ONLY if you meet credit hour and course type eligibility. Visit shi.osu.edu for eligibility details.

You can confirm the status of your choice by confirming the appropriate fee is on your Statement of Account. Monitor your fees regularly. Your eligibility may change as you add or drop classes.

Thank you for choosing the Student Health Insurance (SHI) Benefits Plan to meet your health insurance needs.

Your coverage will be active when the university bursar receives payment of the premium. Activation in our partner systems (UHCSR, HealthSmart, HealthSmart Rx, Delta Dental, and Student Health Services) can take up to five (5) business days after the premium is paid. Please note that enrollment in the TOPP program will satisfy the payment requirement allowing activation of your coverage.

Remember your selection remains in place for the remainder of this academic year as long as you continue to meet the published course enrollment requirements. You may not change your enrollment from term to term. Check your Statement of Account each term. If the premium is on your statement, you are enrolled in the plan.

Please contact our office with any questions or concerns and again, thank you!
