Have you heard about the university-sponsored student health benefits plan?

It’s worth taking a look...

With The Ohio State University Student Health Benefits Plan (SHBP), backed by UnitedHealthcare and its national network of health care providers, you can relax knowing your student can find a preferred provider no matter how far they are from home with year-round coverage.

Take a few moments to compare the SHBP with any alternate plan you may be considering. Many parents may find SHBP provides greater benefits at a lower cost than other insurance options, including employer dependent coverage.

In addition to medical and mental health coverage, Ohio State's SHBP offers*:

• Prescription drug coverage
• Dental coverage via Delta Dental
• Vision coverage

HealthiestYou – Medical Telehealth Services – A nationwide telehealth service providing members with 24/7 access to licensed medical doctors for either immediate or scheduled consultations for treatment of acute illnesses.

Mental Telehealth Services – A nationwide virtual counseling service providing members access to psychiatrists, psychologists and licensed therapists available via phone or video at their convenience.

My Account – Online access to plan information and features; members can view benefits, display their ID Card, search for preferred providers and more. uhcsr.com/myaccount.
