Have you heard about the university-sponsored student health benefits plan?

With The Ohio State University Student Health Benefits Plan (SHBP), backed by UnitedHealthcare and its national network of health care providers, you can relax knowing you can find a preferred provider no matter how far you are from home with year-round coverage.

Take a few moments to compare the SHBP with any alternate plan you may be considering. Thanks to students being a typically healthier group, the student plan may have lower deductibles and out of pocket costs.

In addition to medical and mental health coverage, Ohio State's SHBP offers*:

- Prescription drug coverage
- Dental coverage via Delta Dental
- Vision coverage
