Thank you for choosing the Student Health Insurance (SHI) Benefits Plan to meet your health insurance needs.

Your coverage will be active when the university bursar receives payment of the premium. Activation in our partner systems (UMCSS, HealthSmart, HealthSmart Rx, Delta Dental, and Student Health Services) can take up to five (5) business days after the premium is paid. Please note that enrollment in the TOPP program will satisfy the payment requirement allowing activation of your coverage.

Remember your selection remains in place for the remainder of this academic year as long as you continue to meet the published course enrollment requirements. You may not change your enrollment from term to term. Check your Statement of Account each term if the premium is on your statement, you are enrolled in the plan.

Please contact our office with any questions or concerns and again, thank you!
