

WILCECARE SUPPLEMENT

Pre-paid care option at the Student Health Center

Utilize up to **\$2000** medical treatment and **\$225** prescription drugs

Annual cost: \$225

Many families choose WilceCare to supplement their health insurance if they have high deductibles, high out-of-pocket costs or if the Student Life Student Health Center is not in network with family insurance.

WilceCare is not health insurance and does not cover preventive care, mental health, dental or vision. If you purchase WilceCare, you must also have active, annual health insurance coverage in place for the academic year.

Service Component	Maximum Amount
Medical Treatment	\$2,000
Prescription Drug	\$225

Covered services:

- Office visits for treatment of illness or injury.
- Diagnostic Services to diagnose illness or injury.
- Suturing and selected dermatological procedures.
- Colposcopy
- Physical Therapy
- In-stock medical supplies as prescribed by a physician.
- Allergy Injections: Covered at 100% per injection (serum not included).
- Prescription drugs for the treatment of illness and injury. Required cost share: 10% for generic drugs, 20% for brand name drugs with no generic available and 50% for brand name drugs with generic available. Each eligible prescription is also subject to a minimum \$10 payment (or the cost of the drug, whichever is less).

Assuming eligibility, a **WilceCare** purchase stays in effect **8/17/21 to 8/15/22**. The **\$225** fee will be assessed once per academic year. Refunds are not issued if you need to change your waiver to an SHI Benefits Plan selection.

Please visit shi.osu.edu for details and summary of WilceCare service inclusions and exclusions.

WilceCare must be selected by **August 17, 2021**
