How to Waive and Select WilceCare

1. Click the button next to Purchase WilceCare Supplement and Waive SHI Benefits Plan (I have other medical insurance for the academic year).

2. Select the Academic Terms, and click NEXT.

Reminder: Your waiver will stay in place for the remaining terms of the academic year. There are no refunds or drops for WilceCare. If you need to, however, you can newly Select the SHI Benefits Plan for Spring/Summer 2018.
3. Enter accurate information into all fields on this screen.

Your Member ID Card from the insurance company should contain all this information. For the Insurance Company/Government Plan box, click the magnifying glass for a list of common companies. If you don’t see yours, click Other and then you will be prompted with a new box to type the name.

Once the fields are completed, click NEXT.

SHI uses what you enter to verify you are compliant with the university’s health insurance requirement. Errors or omissions will cause delays.
4. Check the boxes if you wish to share your insurance coverage with these departments.

5. Click I AGREE to submit your choice to Waive the SHI Benefits Plan with your other medical insurance.
6. This Confirmation screen verifies that you completed the Select/Waive procedure to waive the SHI Benefits Plan and purchase the WilceCare Supplement.

Next step: Wait 2 business days and then check your Statement of Account to make sure the WilceCare fee appears. If it does not, you do not have WilceCare.
